Thailand

Location

Six Senses Hideaway Yao Noi is located on the Island of Yao Noi, situated midway between Phuket and Krabi, among the awe-inspiring limestone pinnacles of Phang Nga. Traveling time from the airport from Phuket is around forty five minutes to one hour by motor boat, or 15 minutes by helicopter service.

Phang Nga Bay

Concept

Six Senses Hideaway Yao Noi sets even higher benchmarks for excellence in Asia. The attention to detail and focus on the reality of the destination reinforces the brand's commitment to the environment. Accommodations provide generous personal space and present an uncompromised standard of luxury. Six Senses Hideaways offer elegantly designed modern architecture positioned with an image supporting the Six Senses Hideaway theme - *Redefining Experiences*.

All villas have open-style bathrooms, creating an atmosphere of space and light within and boast magnificent views of the bay and surrounding forestation. Each villa also features its own infinity-edged pool with sundeck, creating an illusion of infinity between pool and bay, and reinforcing a feeling of seclusion.

Local building techniques have been adopted, using natural environmentally controlled materials. External and interior walls are wood paneled, with roofs constructed of sago palm leaf thatching.

Each villa is attended by a butler who is trained to anticipate every whim. The butler service is designed to create a new and unique concept for house guests, where Six Senses Hideaway and Redefining Experiences are exemplified from arrival to departure.

The Six Senses Hideaway reflects the warmth and welcome of a home on a plantation estate. The Main House accommodates all the dining and entertaining alternatives.

Management

The Living Room is constructed from traditional material such as timber flooring, coconut palm columns and classic thatching overhead. Offering tempting buffets at breakfast and dinner, it also showcases an open cold-kitchen and patisserie, into which guests are invited to wander in and help themselves. The Living Room also presents a marriage of world cuisine, with tandoori and pizza ovens, and an open grill. It truly is a feast for the eyes and the taste buds, as guests choose from everything on offer, and join the specialty world cuisine evenings, watching dishes being prepared. The atmosphere is very relaxed, with large comfortable seating areas offering booths and banquettes, and extending to the outdoor Terrace. There are also several outdoor dining pavilions.
